

A Smaller Handle with a Big Comfort-Soft™ Grip

Introducing Comfort-Soft™ EZ-Grip Handle Trowels

The new Comfort-Soft™ EZ-Grip Handle Trowel offers all the benefits of regular Comfort-Soft™ Handle Trowels but with greater finger protection. Ergonomically designed for maximum comfort, you'll never let this trowel go. Made with a combination of hard plastic core and soft plastic cover, the EZ-Grip Trowel reduces hand grip tension and relieves strain in the palm, muscles and tendons. Order yours today!
