Wind-lock Unveils New 2012 Product Catalog

Leesport, PA – Wind-lock is proud to announce the release of its 2012 all-inclusive product catalog.

The new catalog features EIFS/Stucco, ICF/SIP, Weatherization and Stealth Access Panels sections, as well as an all-encompassing Drywall Tools & Accessories section.

“We’re very excited to have a combined catalog with a full representation of all of our product lines,” explains Carter Benjamin, Executive Vice President at Wind-lock. “We like to practice what we preach, and this new catalog fully represents our mantra of ‘what you need, when you need it’.”

The electronic version of the 2012 catalog is already available on Wind-lock’s website for download and quick browsing. The hard-copy version can be expected by their customers in mid-March.

-MORE-

To request your catalog, call Wind-lock's toll free number at 800-872-5625 or visit their website for more information.

Serving the construction industry for more than 25 years, Wind-lock has expanded its offering beyond tools and accessories for the EIFS industry. The company has grown to serve other segments of the residential and commercial construction industries including air sealing, drywall, exterior wall systems, insulation, moisture management and weatherization. Delivering "What You Need, When You Need It", Wind-lock ships its products nationally and internationally from five warehouses located across the country.
